

Throughout the history of the Drohobych Seminary we have had good friends - our sponsors. They are people of good will from Ukraine and from outside its borders. Thanks to them our Seminary can successfully operate in the field of education for priesthood. We always remember them in our Liturgies.

For those who would like to join the list of our donors and thus contribute to the preparation for priesthood here are the details of our bank account (hryvnia and foreign currency):
